

CHAPTER 3 STATEWIDE PROGRAMS AND AGREEMENTS BACKGROUND

The state library is charged with developing long-range plans for the continued improvement of library services in the state. The most recent long-range plan was entitled "Iowa Libraries: A Time to Grow, 1985-90." The major accomplishments from that planning effort include the development of the interlibrary loan system and the statewide computerized card catalog, the establishment of a voluntary certification program for public librarians, and the establishment of standards for public libraries which includes a voluntary accreditation program.

Based on existing programs and services, the current planning effort addresses the state library's role in promoting and developing library services in the state, coordinating interlibrary cooperation, and providing Iowans with access to the publications of state government. The state library's other roles, such as meeting the information needs of the three branches of state government and providing census, patent, legal and medical information, are not addressed in this document.

286—3.3(256) Open Access. Purpose is to provide Iowa citizens with direct access to more library materials and information resources. It is a reciprocal borrowing program that enables users from participating libraries to directly check out materials from other participating libraries.

286—3.4(256) Access Plus. Purpose is to provide Iowa citizens with equal access to library resources by encouraging and supporting multitype resource sharing. Access Plus subsidizes participating libraries for each interlibrary loan, from the first loan, made to an eligible Iowa library.

286—3.5(256) Iowa Fax Network. Purpose of the Iowa Fax Network is to expedite responses to library users' requests by standardizing the use of telefacsimile (fax) for the sending and receiving of requests or information between participating libraries.

SEE: Iowa Fax Network Letter of Agreement. State Library of Iowa.

286—3.6(256) In Service to Iowa: Public Library Measures of Quality. Purpose is to provide performance measures to encourage the ongoing development of quality library service in the state. By identifying policies, service levels, role selection and output measures, consistency and quality in all aspects of library service can be achieved.

SEE: In Service to Iowa: Public Library Measures of Quality. 2d ed. State Library of Iowa, 1989.

286—3.7(256) Iowa Certification Program for Public Librarians. Purpose is to improve library service in Iowa by encouraging public librarians to acquire, maintain and develop skills through basic and continuing education, by recognizing librarians who update skills, by improving the public image of librarians, and by providing guidelines for public library boards to use in developing hiring policies.

SEE: Iowa Certification Program for Public Libraries. State Library of Iowa, 1993.

286—3.8(256) Summer library program.

3.8(2) Procedures.

- b. Participating libraries receive a base package of materials (manual, posters, bookmarks, and related materials). Additional quantities are available for purchase. Orders for materials are cumulated prior to printing.

"State agency" means a legislative, executive, or judicial office of the state and all of its respective offices, departments, divisions, bureaus, boards, commissions, committees, and state institutions of higher education governed by the state board of regents.

"State publications" are defined as any multiply produced informational products or materials regardless of format, method of reproduction, or source, originating in or produced with the imprint of, by the authority of, or at the total or partial expense of, any state agency. The definition incorporates those publications that may or may not be financed by state funds but are released by private bodies such as research and consultant firms under contract with or supervision of any state agency. State information products specifically include, but are not limited to, public documents appearing as reports, directories, statistical compendiums, bibliographies, lists, state plans, statutes, codes, laws and bills, rules, regulations, transcripts of public hearings, journals, newsletters, bulletins, periodicals, books, pamphlets, brochures, charts, maps, surveys, other printed matter, audiovisual materials, microfilm, microfiche, and all electronic information sources in all electronic formats. State information products do not include correspondence and memoranda intended solely for internal use within the agency or between agencies, materials designated by law as being confidential, materials excluded from this definition by the department through the adoption and enforcement of rules, and materials determined by the depository library center staff to be exempt.

3.9(2) Administration of the depository program.

3.9(4) Designation of depositories.

a. The state library and the University of Iowa shall be designated as the two permanent depositories for Iowa state publications.

b. The Library of Congress shall receive one copy of each state publication collected.

c. Depository status of additional libraries shall be determined by the state librarian upon written application by a library. A library may be designated as either a full depository or core depository based upon the judgment of the depository library center and the preference of the library.

d. Depository libraries may be selected on the basis of one or more of the following criteria:

(1) Geographic location consistent with a policy of distributing depositories so as to minimize the distance a user would need to travel.

(2) Demonstrated ability to handle the receipts desired based on size of collection, identified need of the library's clientele, and the availability of space, staff and equipment.

(3) Present federal depository status.

(4) Upon approval of the application, a contract with the depository library shall be completed.

3.9(5) Depository library requirements.

a. The permanent depositories shall permanently maintain two copies of each publication. One copy shall be considered archival and will not circulate. The other copy shall be available for loan.

b. All publications received under this program by the full depository and core depository libraries shall be retained for a minimum period of three years unless a lesser retention period is designated for an item or items by the depository library center.

c. The depository agrees to make the documents available for free public use.

d. Materials missing from depository shipments shall be claimed from the depository library center within one month of receipt of the shipment. After that time, requests shall be made directly to the issuing agency or the state printer.

3.9(6) Withdrawal of a library from the program.

a. A full depository library may withdraw from the depository program by sending written notice to the depository library center 60 days prior to such withdrawal.

b. A core depository library may withdraw from this program by sending written notice to the depository library center.

c. A library's depository designation may be withdrawn for failure to conform to the terms of the contract.

d. Upon termination of the contract the depository documents become the property of the depository library center and must be returned to the center or to such other depositories as may be specified by the center.
